Re: Holliston Accessory Solar  
Major Land Development, Preliminary Application,  
Map 4, lots: 35, 42, 43, 45, 46, and 223 Map 7, Lot 64

Dear Mr. Pagliarini,

The above-referenced application has been certified complete and will be placed on the May 13, 2021 Planning Board meeting agenda. Please mail the enclosed notice, certified, to those landowners within 500 feet (subdivision regulations require 500' due to REA zoning district) of the subject properties.

The Town will place a meeting notice in the Valley Breeze and the agenda will be available once published to the secretary of state.

Thank you, and please contact me if you have questions.

**TJK**

Tom Kravitz  
Town Planner
