RE: Masjid Al-Islam Mosque

Dear Mr. Kravitz,

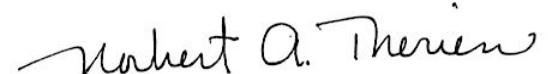

Enclosed you will find (via e-mail) revised plans for the proposed addition to the Mosque.

The revision is to eliminate the encroachment of the access driveway onto the National Grid easement located to the east of the Mosque. It was very minor but to satisfy National Grid we revised the access driveway at the north east corner of the Mosque addition.

No other revisions were done. The revised plan was forwarded to Mr. Michael DiNizza Senior Real Estate Supervisor for National Grid with whom I have been communicating with.

Please distribute the revised plans accordingly.

Thank you,

Norbert A. Therien, PLS.
